Other info

- Dynamic web page accessories: coming soon
- In cooperation with Hirschi AG we will develop a tow bar and certification to increase the towing capacity from 2.2 tonnes to 3.5 tonnes, in line with market demands.
- For some accessories might be missing the price. For question please contact hernan.igosti@astara.com
- For some accessories the availability is not guaranteed. For question please contact hernan.igosti@astara.com

Thank you
